

**THERE'S LOTS OF ACTIVITY ALL THE TIME** in the Y-12 Mail Room. At left Supervisor J. D. Raulston is weighing a large parcel post package to be sent from Y-12. In the center Ida Gibson is shooting thousands and thousands of copies of The Y-12 Bulletin through an addressograph ma-

chine with O. C. Hartman picking them up in preparation for tying them in bundles to go to the Oak Ridge Post Office. At right Hartman is operating the meter machine to stamp outgoing mail. The Y-12 Mail Room handles an average of 270,000 pieces of mail every month.

## Mail Department Of Y-12 Serves With Efficiency

**270,000 Items Handled Monthly; Three Routes Cover Plant Territory**

"Neither snow, nor rain, nor heat, nor gloom or night, stays these couriers from the swift completion of their appointed rounds."

**'Postman's Creed' Is Followed**  
That is the "postman's creed" for the United States Post Office Department — and its principles and devotion expressed for the duty of correct and prompt delivery of mail are uppermost in the minds of all postmen today. That includes the Mail and Addressograph Department of the Y-12 Plant with its small, but efficient staff that performs one of the most important functions in the plant, day in and day out.

Under the direction of T. J. Stephens, this department of the Finance and Materials Division handles a monthly average of 270,000 pieces of mail of all types every month. That includes everything from brief inter-departmental and plant correspondence to registered transmission of classified mail and varied sizes of parcel post matter.

**Raulston Supervisor For 12 Years**  
The department personnel includes Department Supervisor, J. D. Raulston, four mail chauffeurs or mail carriers, two mail clerks, and one addressograph clerk. The drivers are Leila B. Justice, C. F. Hall, J. E. Kimblin and Finley West. In the Mail Room are Raulston, O. C. Hartman, Joyce Ross Gillihan and Ida Gibson, who handles the addressograph work.

For nine years before coming to Y-12 on January 24, 1944, Raulston was postmaster at Strawberry Plains, Tenn. When he was employed here he was immediately placed on his present job as supervisor of the Mail Room and has held the post continuously for almost 12 years.

**Postal Regulations Followed**  
All of the operations of the department follow regulations laid down by the United States Post Office Manual, Union Carbide Nuclear Company and Atomic Energy Commission. In the Y-12 Mail Room there is equipment for sorting, weighing, stamping and recording of registered mail as well as a complete addressograph service for printed matter such as The Y-12 Bulletin, brochures and other matter going to employees both outside and inside the plant.

In handling outgoing mail from the Y-12 Plant, large bins plainly marked "Post Office," "K-25," "ORNL," and "AEC" receive mail for those respective destinations after being picked up from Y-12 Plant sources and sorted. For incoming and intra-plant mail there are compartments for all of the approximately 125 stops made by the delivery and pick-up drivers throughout the plant. These compartments are conveniently arranged according to the buildings served and the stops to be made.

**Meter Machine Stamps Mail**  
Where postage is required on mail outbound to points not served by the Union Carbide Nuclear Company or Atomic Energy Commission mail services, a speedy meter machine stamps the pre-

## UCNC Central Fund Drive Raises \$78,137 For Agencies In Anderson, Knox And Roane

### Community Chest Of Roane County Presents Plaque Of Appreciation To Y-12 Contributors

The Union Carbide Nuclear Company Central Fund Drive in the Company's Oak Ridge facilities was completed last week and figures as of last Friday showed that the Y-12 Plant, the Gaseous Diffusion Plant and the Oak Ridge National Laboratory will contribute \$78,137 to health, service and welfare organizations in three counties.

The beneficiary groups are the Anderson County Combined Community Chest-Red Cross, the Unit-

ed Fund-Red Cross in Knox County and the Community Chest of Roane County, which includes the Red Cross.

An expression of appreciation for contributions from Y-12ers designated for the Roane County Community Chest came last week in the form of a plaque accepted by Y-12 Superintendent John P. Murray on behalf of Y-12 contributors to the Central Fund Plan. The plaque bore the inscription "Community Chest Award for Outstanding Citizenship Presented to Management and Employees of Union Carbide Nuclear Company, Y-12."

The presentation was made by Zirkle M. Cooper, chairman of the Roane County fund drive and postmaster at Rockwood. With him at the time was Tom Tarwater, Jr., Community Chest chairman for Roane County and with the Roane Hosiery Company, of Harriman.

Of the \$78,137 UCNC Central Fund Drive funds for the three agencies, \$51,244 went to Anderson County, \$15,256 to Knox County and \$11,637 to Roane County.

**RECEIVING A COMMUNITY CHEST AWARD**, shown in detail in the top picture, from Roane County Chest officials last week was Y-12 Plant Superintendent John P. Murray, center. The plaque was presented by Zirkle M. Cooper, left, Chairman of the Roane County fund drive; with Tom Tarwater, Jr., Chairman of the Roane County Community Chest, looking on from right.

**ONE OF THE SEVERAL BINS FOR SORTING** outgoing mail from the Y-12 Mail Room is shown above with J. D. Raulston, left, and Oral Hartman busy placing mail for the K-25 Plant, Clayton Hall, the U.S. Post Office, the Atomic Energy Commission and the Oak Ridge National Laboratory in proper receptacles.

### SAFETY SCOREBOARD

**The Y-12 Plant Has Operated 46 Days Or 1,382,805 Man-Hours (Unofficial Estimate) Without A Disabling Injury Through November 17**  
Phone 7755  
For Daily Report On Accident-Free Hours

### Analytical Chemistry Group To Meet Thursday Night

The East Tennessee Section of the American Chemical Society, Analytical Chemistry Division, will meet Thursday night, November 21, at 8 p.m. Col. Paul H. Sherrick, technical director of the E. H. Sargent Co., Chicago, will speak at the meeting to be held in the Robertsville Junior High School Cafeteria.

The topic for the meeting will be "Electro-Chemical Methods of Analysis." Y-12 members of the section are urged to attend and to bring all interested guests with them.

### Award Distribution Is Begun In Y-12

**5,712 Items Going Out; Cordminder Is Delayed**

A total of 5,812 handy items are being distributed this week to Union Carbide Nuclear Company employees in the Y-12 Plant Area as individual awards for helping establish the 20th Union Carbide Safety Period here last spring. The distribution began yesterday and will continue through today and tomorrow, Wednesday and Thursday, November 20 and 21, at all Y-12 portals.

Meanwhile, articles to be offered as awards for the 21st Safety Period now are being displayed at the Cafeteria. They also will be shown at all Y-12 portals on a rotating basis.

#### Cordminder Coming Later

Because of circumstances beyond its control, the Safety Department was unable to obtain one of the items requested by Y-12ers for an award in time to give them out this week. This item was the cordminder, a protective device for electric cords leading to electric irons, of which 195 had been selected. The article will be delivered later and all Y-12ers who ordered them will be notified by

## H. D. Kinsey Named To Head New Firm

**Benedict Promoted,  
Succeeded By Fogle**

H. D. Kinsey D. B. Benedict

D. B. Benedict has been elected a Vice President of Union Carbide Corporation it has been announced by Morse G. Dial, UCC President. Benedict has been president of Union Carbide Chemicals Company, Division of the Corporation. In his new position he will be responsible for the Corporation's chemicals and plastics activities.

### Fogle To Head Chemicals

Also announced was the appointment of E. E. Fogle as president of Union Carbide Chemicals Company and of H. D. Kinsey as President of the newly formed Union Carbide Olefins Company, also a Division of the Corporation. The Olefins Company will handle the production and sale of ethylene, propylene, butadiene, and other hydrocarbon products.

Kinsey is particularly well known in Oak Ridge and to many Y-12ers. In 1944 he came to the Atomic City as General Superintendent of the K-25 Plant, remaining for two years. Benedict also has been a frequent Oak Ridge visitor.

### Benedict Employed in 1933

Benedict joined Union Carbide in 1933 as a technical assistant in the South Charleston, W. Va., plant of the Chemicals Company. He progressed steadily, becoming General Superintendent of the plant in 1952. In 1953 he moved to New York as Assistant Works Manager for the Chemicals Company, became Works Manager in 1954, Vice President in 1955, and President in 1956. He is a graduate of the University of Michigan.

Fogle became associated with Union Carbide in 1930 as a research fellow for the Chemicals Company at Mellon Institute, Pittsburgh, Pa. The following year he came to New York as a technical representative and held sales posts in Washington, Albany, Cleveland, and Chicago. In 1947 he was appointed assistant sales manager in New York, and in 1954 became Vice President. During the year 1952 he was on loan for seven months with the Office of Price Stabilization. Fogle is a graduate of Marietta College in Ohio.

### Kinsey At K-25 In 1944

Kinsey joined Union Carbide in 1924 as a cadet engineer for the Chemicals Company in Clendenin, W. Va. The following year he moved to South Charleston, becoming Assistant Superintendent

### LOCKHART — VITULLO

Of interest to the many Y-12 friends of the parents of the bride-elect is the announcement of the engagement and approaching marriage, set for Saturday of this week, November 23, of Miss Rosemary Lockhart and Joseph Thomas Vitullo. The bride-elect is the daughter of George B. Lockhart, of the Special Projects Department, and Mrs. Lockhart, who live at 108 Ogden Circle in Oak Ridge.

The wedding will be solemnized at 2:30 p.m. in the Episcopal Church of the Redeemer, Pittsburgh, Pa., with Dr. Hugh Clarke, pastor of the church, officiating.

Parents of the groom-elect are Mr. and Mrs. A. M. Vitullo, of Elizabeth, N. J.

Miss Lockhart graduated from Oak Ridge High School and also from Sullins College, Bristol, Va. She now is a senior and drama major at the University of Pittsburgh after spending one year in the Fine Arts Department of Carnegie Institute of Technology, also of Pittsburgh.

She won many honors at Sullins, being president of the Drama Club, member of the President's Council, the Sullins Players and Radio Club. She also was on the Honor Society in Science and has won the Sullins Science Award, Drama Award and Margaret Sullivan Acting Award. She was an apprentice at the Barter Theater, Abingdon, Va., and is a member of the Canterbury Club.

Miss Lockhart is a member of the Episcopal Church. Her brother, George B. Lockhart, Jr., is a freshman at the Middle Tennessee State College at Murfreesboro.

The prospective bridegroom graduated from the Thomas Jefferson High School at Elizabeth, N. J., and now is a senior in the School of Agriculture at Carnegie Tech. He will obtain his degree in June. From 1948 to 1952 he was in the United States Air Force and for two and one-half years was on the AF Ski team in Alaska.

Get-well wishes are sent to the following Y-12 employees who were patients in Oak Ridge Hospital last week.

H. L. Spurgeon, Perry Suber and Gus Craig, Buildings and Grounds; J. H. Hammond and G. M. Bennett, Alpha Five Cascade Operations; E. T. Wallace and R. L. Vanderpool, Research Services; Herbert Weaver, Product Processing; E. E. Johnson, Quality Control; A. D. Johnson, W. L. Nichols, R. F. Manning and T. M. Sampley, Process Maintenance; M. T. Little and I. M. McPeters, Chemical; B. B. Addison, General Machine Shop; Lonnie Wright, J. M. Sanderfer, J. T. Thomas and G. S. Wheeler, Mechanical; G. R. Goins and L. S. Skeel, Alpha Four Cascade Operations; T. T. Burcklow, Jr., Industrial Engineering; Raymond Ledford and Polie Garrison, Guard Department; L. T. Hardin, Colex Auxiliary Operations.

there in 1932. Later he was transferred to the Whiting, Ind., plant as Superintendent, and in 1944 moved to Oak Ridge as General Superintendent of the K-25 Plant for the Manhattan Project. He came to New York in 1946 as Works Manager for the Chemicals Company and was appointed Vice President in 1954. Kinsey is a graduate of Roanoke College at Salem, Va., and of the Massachusetts Institute of Technology. He was born in Virginia.

It's smart to be safe.

Miss Rosemary Lockhart

## Rides Wanted, Offered

Want to join car pool from East Village in Oak Ridge, 260 East Drive, to North or West Portal, straight day. R. C. Daniels, plant phone 7-8626, home phone 5-8247, Oak Ridge.

Ride wanted from 115 Johnathan Lane, Oak Ridge, to North or Central Portal, straight day. Ann Swinford, plant phone 7-8673, home phone 2-1224, Oak Ridge.

Want to join car pool from 100 Oak Lane, Oak Ridge, to Central Portal, straight day. Carol Walker, plant phone 7-8291, home phone 5-4418, Oak Ridge.

Ride wanted from West Haven community, Knox County, to Central Portal, straight day. R. D. Satterfield, plant phone 7-8482, home phone 3-5243, Knoxville.

Ride wanted or will join car pool from Pennsylvania and Pasadena, Oak Ridge, to Central Portal, D Shift. Bill Garland, plant phone 7248, home phone 5-9832, Oak Ridge.

Four riders wanted from Powell to any portal, straight day. W. H. Donahue, plant phone 7411, home phone 4-5641, Dial 9, Knoxville.

Two car pool members wanted from South Clinton to any portal, straight day. H. Reynolds, plant phone 7207, home phone 621-W, Clinton.

Ride wanted from Arlington Area, North Knoxville, to Central Portal, straight day. G. J. Lawson, plant phone 7009, home phone 32-650, Knoxville.

Ride wanted or will join car pool from Fairmount Area, Knoxville, to Central Portal, straight day. T. M. Hastings, plant phone 7009, home phone 3-4615, Knoxville.

Ride wanted from 2110 Fairmount Blvd., Knoxville, to Central Portal, straight day. Georgia Bower, plant phone 7695, home phone 2-1798, Knoxville.

## 'Ladies Night' Observance Set By ASME November 21

"Ladies Night" will be observed by the Oak Ridge Group of the East Tennessee Section of the American Society of Mechanical Engineers tomorrow, Thursday night, November 21, at a meeting in the Starlight Room of the Oak Terrace. Dinner will be served at 6:30 p.m. and will be followed by two interesting speakers at 8 p.m.

High Fidelity and Stereo sound systems will be discussed and demonstrated by Bill Pollock and Horace Cerruti, who have been operating the Hi-Fi Department of the Music Box for the past six years. Those Y-12ers who are unable to attend the dinner are urged to come at 8 p.m. and enjoy the program.

Strictly confidentially — from here to you — this is the news.

### TECHNICAL

Kay Sideris, of Engineering, has recovered from her miseries and returns to spread the news . . . Bill Forrester, Mechanical Engineering, seems relaxed after a week of deer hunting and is taking it easy around the house . . . Now here's real hunting news—while Bob Lassiter was stalking one deer quietly in a nearby forest he looked behind him, and saw he was being trailed by three of the curious creatures . . . Tom Norris had planned to join Bob in a bow and arrow hunt on Central Peninsula . . . The Leon Scalf family week ended in Pineville, Ky., visiting his parents . . . Jack Blackerby and his missus were among the many Oak Ridge fans in Chattanooga last Friday . . .

The aforesaid Tom Morris and his spouse were visited by her folks from Nashville recently . . . Lillian Higgin and hubby were in Lexington and Louisville, Ky., recently watching the ponies run . . . Other recent visitors were Tom Keane's brother-in-law and his wife from Washington, D. C. . . O. T. Smith's brother, Donald, United States Air Force, dropped in en route from Colorado to Chicago . . . The ME's are sorry to report that Nora Hurst still is absent as a result of injuries sustained in an automobile accident several weeks ago . . . And to top it all, Wimpy Hilton is reported sporting an antique Hupmobile—Model 1929.

Laboratory Operations sends get well wishes to Helen Beckner, out ill . . . Nell Miller recently entertained out-of-town guests.

In Production Assay Dottie Moore is back from an Alabama vacation . . . Harry Southern is vacationing in Grainger County . . . Mattie Anderson is doing likewise in Virginia . . . Polly Williams is looking forward to seeing the Tennessee-Kentucky game in Lexington Saturday . . . Judy Butler's daughters, Pat and Susan, have been visiting in Nashville . . . C Shift rolled out the welcome mat for Stanley Cole last week.

"Arky" Jameson, Special Testing, plans to visit St. Louis, Mo., Alexandria, La., and Little Rock, Ark., next week . . . V. C. Jackson is vacationing at home in Oak Ridge but the whereabouts of Dora Whaley and Elmo Webb were not disclosed . . . Ronald Crabtree was given a warm new-comer's welcome last week.

Maggie Bloomer, Production Analysis, is a real football fan—she took in the UT-Ole Miss game in Memphis last Saturday and plans to see the Vols and Wildcats tangle at Lexington this week end . . . Margaret Eager is vacationing in parts unknown and Lacy Keele is back from resting up at home . . . Get well wishes to Frances Tornton and Lewis Warren.

Some folks in Special Projects have had Sputniks—others Mutt-niks—but the Frank McGuinness family have the Whatniks—they highted "an unidentified flying object" several days ago and Mrs. McG. got her pitcher in the paper . . . Everything seems to be catching—Ella Stansell has the diet bug now . . . Dick Wyrick recently had to be nurse and baby sitter for his ailing family a few days ago . . . George McGown is back after serving a similar stint . . . Get-well wishes are sent to the family of Chet Borge . . . Helen Stone hopes to fortify her constitution against further illness by spending a week or so around Miami.

### MAINTENANCE

Mechanical Maintenance royally welcomed a flock of newcomers last week—including C. R. Weber, C. R. Sharp, N. B. Keplinger, R. K. Miller, J. D. Fancher, V. J. Harber and G. E. Berney . . . Sympathy is extended J. S. Hembree, whose mother died November 12

at Harriman . . . Also to W. A. Newman, whose father succumbed recently in Sevierville . . . Rapid recovery wishes go to J. T. Thomas and L. Wright, both in Oak Ridge Hospital . . . Likewise to George Riddle and C. C. Crisp . . . Vacationers not leaving forwarding addresses are R. C. Whitehead and C. R. Sharp.

Research Services extends condolences to S. H. Inman, whose mother-in-law died last week . . . Get-well wishes to E. H. Gouge, in St. Mary's Hospital, Knoxville, and also to N. L. Browder, E. T. Wallace, L. M. Thompson, A. P. Waugh and T. A. Scarborough, all ailing last week . . . On the other hand the department is glad to report that H. M. Smith, D. B. Blackburn and O. D. Miller are back after long illnesses.

### MECHANICAL OPERATIONS

Production Control welcomes T. B. Caldwell after a battle with pneumonia . . . Frankie DuBose also is back after a long sickness . . . Harold Babb and C. W. McCollum were short vacationers last week . . . Bob Burns is reported to be mounting the coon that whipped his dog a few nights ago.

Deer hunters from the Sunflower Shop last week included W. T. Luffman, L. N. Moncier and J. W. Kyle . . . W. L. Blackford was a recent week ender in Nashville . . . Walt Sherrod has returned to work after being ill for some time . . . Get-well wishes to C. R. Bowman and P. W. Zurcher, both ailing last week.

Cecil Houser, Alloy Shop, and his missus are headed for Lexington for to see the Vols-Wildcat game Saturday . . . Sympathy is extended G. P. McGhee and family, whose father died last week . . . J. J. Campbell and E. A. Cruy are welcomed to the department . . . Get-well wishes are wished A. R. Brown, L. A. Smith and D. L. Freels, all ailing last week.

Tool Grinding and Machine Maintenance hopes J. H. Oldham, ill since last May, will be back soon . . . Rapid recovery wishes to A. E. Parson, still floored by the flu; and also to A. L. Hensley and D. M. Hensley . . . A. G. Steel is welcomed as a transfer from the General Machine Shop.

General Machine Shop is congratulating W. T. Arrowood over joining the Proud Pop Club November 10 when he became father of a baby girl born at Baptist Hospital, Knoxville, weighing eight pounds—she was named Nancy Lorraine . . . Get-well wishes go to a flock of sick folks—Willie Fowler with the flu, J. N. Brewer, C. C. Chamberlain, L. B. Keith, B. B. Addison, P. J. Arrowood and H. W. True . . . C. E. Spradlin is around Warm Springs, Va., hunting deer . . . Sam Lindsay is back from a similar safari on Central Peninsula but reported no luck.

### SHIFT SUPERINTENDENTS AND GENERAL UTILITIES

Relief Superintendent H. N. Beninghoff planned a deer hunt last week end . . . Ada Hopkins and her husband, Clyde, Mechanical Operations Division, week ended over in West Tennessee.

M. G. Crouch, Utilities, is deer hunting up in Michigan . . . Meanwhile E. F. Sosby was down in sunny Sarasota, Fla., last week fishing and vacationing with his family . . . Oscar Blackwell is taking it easy over in West Tennessee . . . Get-well wishes to A. C. Wampler, back in St. Mary's Hospital, Knoxville.

E. J. Garrett, Steam Plant, bagged a deer on a recent hunting foray—no further details.

### INDUSTRIAL RELATIONS

Bill Monroe, Cafeteria, is going to spend part of his three-week vacation deer hunting . . . Sympathy is extended to Madeline Tackett, whose sister-in-law died No-

**Y-12 B SHIFTERS ARE READY ON THE FIRING LINE FOR THEIR TURKEY SHOOT** held last week. From left are L. E. O'Dell, A. L. Rainwater, J. E. Shoffner, B. S. Turner, S. B. McSpadden, E. K. Beeler, C. H. Jarvis.

J. L. Spray, E. J. Garrett, Dave Turner, J. E. Gilstrap, R. A. Wilson, S. E. Pellizzari, A. L. Phillips, C. Crutchfield, R. G. Marlar, E. Clowers and M. P. Crews.

6-8819

## Play Will Begin Early Next Month

**All Games To Be Held In Robertsville Gym**

Tomorrow, Thursday, November 21, is the big day when the Y-12 Basketball League will be officially organized. The organizational meeting will be held at 1:30 p.m. in the Recreation Office, Room 226, Bldg. 9704-2. Every group or department that plans to floor a team this season is urged to have a representative present.

### Big Turnout Expected

Many inquiries have been received by the Recreation Department from prospective competitors since the first call for the organizational meeting was issued. All indications point to a large turnout for the meeting with the possibility of 10 or more teams to be represented.

League play will probably begin early next month, soon after the two weeks of scheduled practice have been completed. All league games this season will be played on Tuesdays and Thursdays in the Robertsville Junior High School Gymnasium.

### Representation Is Urged

If there are any groups or departments in Y-12 that have not yet organized, but which may be interested in forming a team—get busy and make plans as soon as possible to have a representative at the meeting tomorrow, Thursday, November 21.

Any Y-12er who desires further information on the basketball league may communicate with the Recreation Department, plant phone, 7753.

## Rippers Blank Rebels To Edge Bumpers For First Round Title In Classic Loop

The Rippers blanked the Rebels to gain the championship in the first third of the Classic League bowling race which was completed last week. The Rippers edged the Bumpers, champions last season, by only one point in the hard-fought title race. The Bumpers took a three-point win from the Wolves to barely miss a tie for the top spot, which the Rippers and Bumpers tied for last season in the first third race. Whitewash wins dotted other games in the league as the Has Been topped the Cubs, the Screwballs rolled past the All Stars and the Wasps stung the Tigers. The Swingsters took a three-point victory from the Playboys to round out play for the week.

### Bumpers Won Last Season

The Classic League, the largest of the Y-12 bowling loops, divides its schedule into three parts each season and the winners of each third roll in a playoff series at the close of the season. Last season the Bumpers stopped the Playboys and the Rippers in the rolloff to claim the undisputed championship.

Loyal Freeman, of the Rebels, rolled the high scratch single game for the night and for the season, with a lusty 243. Freeman upped his scratch to 266 to take the handicap single as well. Jay Holzknecht, of the Rippers, topped the scratch series for the season and the night with 622 and upped it to 688 with handicap.

League standing follows:

| Team       | W   | L   |
|------------|-----|-----|
| Rippers    | 30  | 14  |
| Bumpers    | 29  | 15  |
| Has Been   | 25½ | 18½ |
| Screwballs | 25  | 19  |
| Wasps      | 25  | 19  |
| Wolves     | 22  | 22  |
| Swingsters | 22  | 22  |
| Rebels     | 20  | 24  |
| Playboys   | 18½ | 25½ |
| Tigers     | 17  | 27  |
| All Stars  | 16  | 28  |
| Cubs       | 14  | 30  |

## Nip-Tucks Blank Clippers; Take Top

The Nip and Tucks whitewashed the Clippers in the Mixed Bowling League last week to move from third place into the top position. The Scrappers took a three-point win from the Alley Cats to hang on to a first place tie with the Nip and Tucks. In other league play the Pin Cats swept a three-point win from the Units in a high scoring contest.

Shirley Brown, of the Units, led the women's individual scratch single with 181 and upped it to 235 with handicap. Helen Corbett, of the Pin Cats, topped the girl's scratch series with 437 and was nosed out in the handicap by Brown 597 to 590.

Carl Frazier, of the Units, led the individual men's single scoring with a 194 scratch and a 236 handicap. Andy Anderson of the Clippers, took the scratch series with 472, and J. E. Morgan, of the Nip and Tucks, won the handicap with 584.

The Scrappers led team scoring with a 608 scratch single which jumped to 765 with handicap, and a 1673 scratch series. The Pin Cats topped the handicap series with a 2177.

League standing follows:

| Team          | W  | L  |
|---------------|----|----|
| Nip and Tucks | 24 | 16 |
| Scrappers     | 22 | 16 |
| Clippers      | 23 | 17 |
| Pin Cats      | 18 | 22 |
| Units         | 16 | 24 |
| Alley Cats    | 14 | 25 |

6-8766

## Y-12 Puts Women's Team in Volley Loop

The Y-12 Women's Volleyball team has been organized and will compete in the Union Carbide Nuclear Company Women's Volleyball League when loop play opens at 7:30 p.m. Thursday, December 5. The Y-12 team will compete against teams from the Oak Ridge National Laboratory, Oak Ridge Institute of Nuclear Studies and the Oak Ridge Gaseous Diffusion Plant.

Practices have been scheduled for Thursday, November 21, and Tuesday, November 26, at 7:30 p.m. in the Woodland School gymnasium, where all league games will be played on Thursday nights this season.

Members of the Y-12 squad include Regina Camp, Carol Puckett, Julia Pressnell, Bobbie Alexander, Barbara Pullen, Bonnie Reesor, Fran Willie, Peggy Silver, Norma Kennedy, Doris Thomas, Shirley Murray, Jane Sheldon and Janis Hildebrand.

Any other Y-12 women interested in participating in the volleyball loop are invited to communicate with the Recreation Office, plant phone 7753.

## Women Enjoying Fitness Workouts

"Keep that school girl figure," is the by-word of many Y-12 women employees who are enrolling in the All-Carbide Women's Physical Education Class which meets at 7:30 p.m. each Tuesday night. Y-12 women who are now taking part in the course urge other women employees to join them in participating in exercises during the winter months. The classes are held in the Woodland School gymnasium each week.

**THE YOUNGEST PARTICIPANT** in the B Shift turkey shoot last week was little Donnie Gilstrap, checking over the target just riddled by his Dad, J. E. Gilstrap, kneeling.

## B Shift Holds Shoot Despite Weather

Despite threatening weather, about 60 Y-12 B Shift employees turned out last week for the first shift turkey shoot. The event was held at the Oliver Spring airport.

Although B Shift Superintendent Finley Creigh and his assistant, Vic Defenderfer, both were among the competitors, neither were among the high scoring prize winners. The winners of turkeys or hams — they were given their choice — included M. P. Crews, S. B. McSpaddin, H. A. Williams and C. H. Jarvis, two each; and Dave Turner, J. G. Hallan, C. Crutchfield, J. Peters, T. R. Rucker, R. G. Marlar and J. Braden, one each.

With Recreation Chairman Gib Hatmaker hospitalized, arrangements were handled by Ray Ellis and L. E. O'Dell.

## Rifle Team Drops Two To ORNL

The Y-12 Rifle Team dropped two games to the Oak Ridge National Laboratory Rifle Team in firing action last week. The four teams in the Y-12 Rifle League are tied for first and second place as they split winnings last week.

In the ORNL match W. A. Sahr, of the Pinwheels, led the scratch scoring with a 177 and hiked it to 195.661 to take the handicap honors as well.

League standing follows:

| Team        | W | L |
|-------------|---|---|
| Centershots | 5 | 3 |
| Tuckholes   | 5 | 3 |
| Ten X's     | 3 | 5 |
| Pinwheels   | 3 | 5 |

## Marksmen Move To Pistol Loop Tie

The Marksmen team took a double win from the Experts last week in the Y-12 Pistol League to regain lost prestige and tie for first place. The Masters and Sharpshooters split, with the Masters taking the scratch and the Sharpshooters leading the handicap.

T. J. Bush, of the Marksmen team, took top scoring honors for the night with a 251 scratch and a 288.289 handicap. In team scoring the Masters topped the scratch with 490 and the Marksmen took the handicap with 572.753.

League standing follows:

| Team          | W | L |
|---------------|---|---|
| Marksmen      | 4 | 2 |
| Experts       | 4 | 2 |
| Sharpshooters | 3 | 3 |

**GIVING ALL OPPONENTS A RUN FOR THE TITLE** in the Classic League of Y-12 bowlers this season are the Bumpers, pictured above. From left are Clyde Smith, V. Williams, E. B. Galloway, Ernie Cobble and Elmer Green. Team Capt. Aver Kendig was absent when the picture was made. The Bumpers are defending league champions and were nosed out by just one point for the first round title this season.

**CHILDREN AND PETS** always are good photographic subjects and these snapshots above were rated first and second in the Y-12 Weekly Photographic Contest for the week ending November 15. At top is the first place entry of Howard Horne, Maintenance Planning, of his daughter and her pet dog. Carl G. Brewster, Medical, took second place with the snapshot of his youngsters, Bradford, 3, and Karen, 6, center, viewing the fish collection of a niece in Chattanooga.

**AAUW To Hold Book Fair For Four Days This Week**

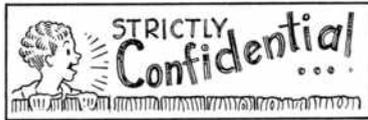

A Book Fair will be held on November 21, 22, 23 and 24, by the Oak Ridge Chapter of the American Association of University Women at the former Nettie Lee Shop in Jackson Square. A wide variety of books for all ages will be offered for sale with the proceeds going to the AAUW Fellowship Fund.

The Book Fair will be directed by Mrs. Harley Patterson and will feature a display of technical books by Oak Ridge scientists. The displays will be arranged by Minnie Duncan of the Oak Ridge National Laboratory Biology Library and Evelyn Levine, librarian at the Oak Ridge Gaseous Diffusion Plant.

**'Time Limit' To Be Staged By Playhouse This Week**

"Time Limit," the second play in the regular series of plays presented each year by the Oak Ridge Community Playhouse, will be staged in the Jefferson Junior High School auditorium November 21, 22 and 23 at 8:30 p.m. each night. The plot of the play is concerned with collaboration with the Communists. The setting is in a Korean prisoner of war camp and an army post after the war. The play will be directed by Paul Ebert.

The cast includes: Jim Muir, T/Sgt. Charles Baker; Marty Copenhaver, WAC Corporal Jean Evans; Milton Lloyd, Second Lt.

November 7 . . . Irene Bryan is spending a couple of weeks with her parents in Rutherfordton, N. C. Harlan Wright, the Recreation lad who arranges so many enjoyable whing-dings for Y-12ers, is vacationing with his wife, Mary Ann, Health Physics—they are going to prowl around their old stampin' grounds at Clark Range, Jamestown and way stations for some hunting and fishing—and probably will be found at the Vol-Cat football fracas come Saturday.

**CHEMICAL**

Product Processing extends condolences to K. C. Arnold, whose mother died recently . . . B. W. Helton and J. Q. Hopwood, recent transfers from other departments, were welcomed last week.

**FINANCE AND MATERIALS**

Herb Reynolds, Cashier and Travel Office, is back from a vacation over in Clinton that started out swell but was later marred by an invasion of flu that hit his family.

Mary Nelle Smith, Material Control, is vacationing at her home in Oliver Springs and Mildred Reynolds is spending a week in Baton Rouge, La.

Good night, all.

**Award Distribution Is Begun In Y-12**

Continued from Page 1  
sonally by the Safety Department when they arrive so that they may be picked up.

It is urged that every UCNC employee eligible to receive a safety award pick up their award during the present distribution period at the portals instead of waiting until later.

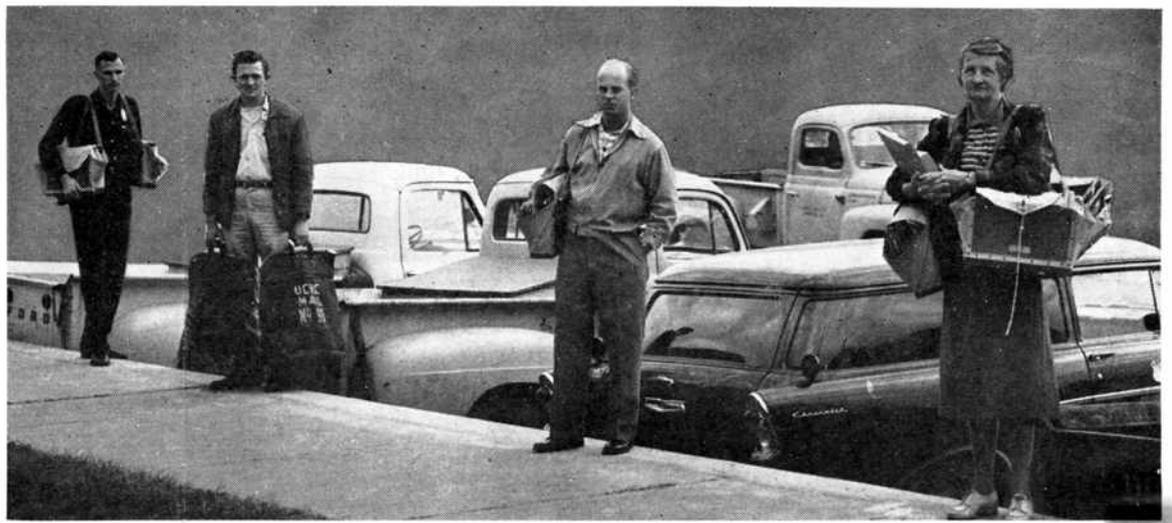

**Food Bag Most Popular**

The articles to be distributed and number ordered are food and drink bag 952, six piece manicure set 655, refrigerator set 552, wall can opener 503, combination square for carpenters 376, claw hammer 354, three piece plier set 339, TV tray table 317, set of saws 309, food jar with two sandwich boxes 281, aluminum tray 224, table tennis set 217 and cordminders 195.

The 20th Union Carbide Safety Period was established from March 13 to May 29, inclusive, when 2,342,579 accident-free man-hours of plant operations were posted.

George Miller; Dave Fisher, Lt. Col. William F. Edwards; Bud Rubin, First Lt. Mike Livingston; Sam Thompson (Mechanical), Capt. Ski Jablonski; Roger Carlsmith, First Lt. Steve Wardell; Nate Bassin, First Lt. Zip Walden; Justin Bolger, Second Lt. Boxer Mueller; Gordon Fee, Second Lt. Phillip Garland; Lloyd Bryson, Maj. Gen. Joseph Connors; Jane Wood, Mary Cargill; Carl Copenhaver, Capt. Joseph Connors, Jr.

**BE SURE IT'S SAFE, THEN GO AHEAD!**

THESE ARE THE FOUR Y-12 MAIL CARRIERS who keep communications flowing between Y-12 points and also with the outside world. From left are Finley West, J. E. Kimberlin, C. F. Hall and Mrs. Leila B. Justice.

**Y-12 Mail Department Operates Efficiently**

Continued from Page 1  
scribed amount of postage on each letter, according to weight and class. Where larger pieces of mail, such as packages, are dispatched, the amount of postage is stamped on paper tape and then pasted on the package. All registered mail is recorded, both incoming and outgoing, to insure its delivery as prescribed by United States postal regulations.

The Y-12 mail carriers are kept busy every week day the mail service operates. For plant deliveries and pick-ups three routes have been established, arranged for the most efficient handling of mail with no overlapping of territory. These three drivers leave the Mail Room at 8 a.m., 10:40 a.m. and 1:50 p.m. Another driver on the fourth route handles "tote-boxes" with classified material, special delivery mail and reproduction deliveries. He also shuttles back and forth between the Y-12 Mail Room, Clayton Hall and the Oak Ridge Post Office.

**Mail Exchanged At Clayton Hall**

This fourth route driver leaves Y-12 for Clayton Hall at 8:45 a.m., 10:30 a.m., 1:15 p.m. and 3:15 p.m. At Clayton Hall this driver meets others from the K-25 Plant and Oak Ridge National Laboratory and the AEC about 15 minutes after leaving Y-12, with the drivers exchanging mail from each of the facilities and the AEC. After the exchange of mail, the UCNC drivers return to their respective bases.

Outgoing mail to clear through the Oak Ridge Post Office leaves the Y-12 Mail Room at 10:30 a.m. and 4:10 p.m. Y-12ers desiring particular information on schedules for mail pick-up from their offices for material going outside the plant are asked to call the Mail Room, plant phone 7781.

**Addressograph Handles Bulletin**

The addressograph phase of the Mail Room activities provides a speedy and efficient method of reaching many Y-12ers inside and away from the plant. There are individual plates for every Y-12 employee for addressing The Bulletin and other printed matter sent to the homes of employees. Then there are other groups of employees in the plant to receive such material as The Trigon, accounting and work order data, office handbooks, official plant bulletins and similar material. There are a total of 20,000 addressograph plates on file and about 70,000 pieces of mail are addressed per month by this method.

Raulston states that by far the principal problem faced by the department is that of incorrect addresses—particularly of individual employees who have moved their plant or home address without giving proper notice of new addresses through their own supervision.

Proper forms for giving such notice are available from supervision throughout the plant and to insure prompt handling of mail, any moves should be promptly reported.

Another annoying matter is the

**Tasty Tom Turkey To Top Thanksgiving Dinner On Tuesday At Y-12 Cafeteria**

Come and get it! That's the hospitable call issued by Y-12 Cafeteria Supervisor George J. McNamee to folks throughout the plant who have been

**STUFFED PEPPER ENTREE ON ONLY SPECIAL LUNCH**

Stuffed pepper with cheese topping will be the main dish on the 50-cent Special Lunch to be served at the Y-12 Cafeteria tomorrow, Thursday, November 21. The Special Lunch also will include one vegetable, choice of salad or dessert and rolls and butter. Because of the Special Thanksgiving Dinner to be served next Tuesday, November 26, and the Thanksgiving Day holiday on Thursday, November 28, no Special Lunches will be served next week.

incomplete listing of names of persons to receive mail. For instance, the department recently handled a letter to "Jack Johnson" in one Y-12 building—and it turned out that there were four "Jack Johnsons" in that one building. So the use of full name or correct initials is urged in all addresses.

Considering the amount of material handled and the work expended, the Mail and Addressograph Department has a lot of warm congratulations coming for the efficient and prompt manner in which the effective transmission of important communications is handled.

**Hornets Regain Top In C Bowling League**

The Hornets swept a whitewash victory from the Daffodills in the C Bowling League last week to emerge from a three-team tie for first place to regain undisputed possession of the top spot. Murderer's Row took a three-point win from the Sunflowers to stay close on the tail of the league leaders. The Alley Cats split with the Chillers to fall off of the pace into third place. The Hi Balls scored a three-point victory over the B Shifters to round out loop play for the week.

R. R. Galford, of the Sunflowers, dominated the individual scoring ranks with a 212 scratch single game, 569 scratch series and a 632 handicap series. Gallmon, of the Chillers, led the handicap single with a 241.

In team scoring Murderer's Row took the scratch single game honors with 791 while the Chillers topped the handicap with a 1033. Murderer's Row won the scratch series with 230 and upped it to 2849 with handicap applied.

League standing follows:

| Team           | W  | L  |
|----------------|----|----|
| Hornets        | 27 | 13 |
| Murderer's Row | 26 | 14 |
| Alley Cats     | 24 | 15 |
| B Shift        | 22 | 18 |
| Sunflowers     | 19 | 21 |
| Chillers       | 18 | 22 |
| Hi Balls       | 14 | 26 |
| Daffodills     | 9  | 31 |

developing a pronounced drool in anticipation of the annual Thanksgiving Dinner to be served next Tuesday, November 26.

In keeping with past tradition, the tasty meal will be served from 11 a.m. to 1:30 p.m. with the cost of the entire delectable culinary offering being only \$1.10, which includes tax.

**Plenty Of Choices Offered**

Of course, the main dish will be roast young tom turkey with trimmings—giblet gravy, cornbread dressing and cranberry sauce. An alternative of baked sugar cured ham will be offered. As an appetizer will be soup or choice of three juices. Patrons will be offered two vegetables out of a choice of four, one salad with five on the menu, dessert from a choice of four, rolls, butter and beverage.

At the Thanksgiving Dinner last year a record number of 1,350 complete dinners were served. This involved preparation and serving of around 30 gallons of soup, 750 or more pounds of turkey, around 500 pounds of potatoes, more than 200 dozen rolls, 200 pies and a comparable amount of other items—truly a big undertaking.

**Individual Items Available**

For those Y-12ers whose appetites or capacities might not be up to consuming the entire meal—individual items can be obtained at a la carte prices. There even will be a roast veal sandwich plate available.

Here is the complete menu for the Thanksgiving Dinner next Tuesday.

- CHOICE OF ONE**
- Cream of Celery Soup
- Grapefruit, Tomato or Apple Juice
- CHOICE OF ONE**
- Roast Young Tom Turkey, Cornbread Dressing
- Giblet Gravy and Cranberry Sauce

- Waldorf Head Lettuce
- Stuffed Celery
- CHOICE OF ONE**
- Ice Cream, Assorted Flavors
- Hot Mince Meat Pie
- Pumpkin Pie
- Spice Layer Cake
- Butter
- Ice Tea
- SANDWICH**
- Roast Veal Sandwich Plate

**BULLETIN MATERIAL NEEDED EARLY NEXT WEEK**

Because of the Thanksgiving Day Holiday on Thursday, November 28, all reporters, correspondents and contributors for the Y-12 Bulletin are reminded that it is desirable to have their material in to The Bulletin Office, Room 228, Bldg. 9704-2, not later than Wednesday, November 27, for publication in the edition of December 4. This is particularly true for all contributed pictures—with Wednesday, November 27, being the absolute deadline for pictures to be published the following week.
