

Y-12ERS HAD A COMPLETE MAJORITY ON THE ROSTER OF NEW officers of the Oak Ridge Veterans of Foreign Wars Post installed last Thursday night. The new post leaders, from left, are C. S. Evans, Chaplain; R. C. Bledsoe, Jr., Y-12, Second District Vice Commander and Post Quartermaster; Michel Morock, retiring Commander; Judge Richard F. Douglass, Junior Vice Commander, Department of Tennessee and installing officer; Reese M. Roark, Y-12, Commander; Ralph L. Renfro, Y-12, Advocate; Paul T. Sellers, Second District Commander and Post Trustee; and John R. Bosson, Adjutant. E. J. Walker, also of Y-12 but absent when picture was made, is Junior Vice Commander.

Six Y-12ers Among Eight Officers Installed By Lewis E. Hamby Post, No. 7270, V. F. W.

Judge Douglass, State Junior Vice Commander, In Charge Of Ceremonies For Ridge Overseas Vets

Another typical example of the participation by Y-12ers in patriotic and civic affairs of Oak Ridge was the installation last Wednesday night of six Y-12 employees among the eight new officers of the

Insurance Dividend Checks Out April 15

Distribution In Y-12 To Be At Pay Points

Carbide Group Insurance dividend checks will be distributed to eligible employees of Y-12 and other Company installations in Oak Ridge on Friday, April 15. The total amount of the dividends for employees in the three Oak Ridge installations is more than \$300,000.

The 1954 dividends represent approximately 35 per cent of the amount paid into the Group Insurance as premiums by employees during the year. In addition to the amount to be paid in dividends, Carbide employees in Oak Ridge received nearly \$1,000,000 in Group Insurance Plan benefits during 1954.

The dividend checks will be distributed in Y-12 at the regular pay points and regular pay hours to all eligible employees who participated in the Group Insurance Plan in 1954.

DELICIOUS DISHES SET FOR SPECIAL LUNCHES AT Y-12 CAFETERIA

Patrons of the 50-cent Special Lunches to be served at the Y-12 Cafeteria tomorrow, Thursday, April 14, and next Tuesday, April 19, will be treated to delicious dishes as the entrees of the meals. The main dish on the Special Lunch tomorrow will be pineapple fritters with grilled bacon and maple syrup. On next Tuesday ham patties with apple rings will be served. The Special Lunches also will include one vegetable, choice of salad or dessert and rolls and butter.

Misuse Of U. S. Property Held Serious Offense

Company Discipline, Federal Prosecution Liable For Violators

In order to restate the position of the Company and that of the United States Government, the following information is presented to all Y-12 employees for their guidance and information.

Essentially, all material, equipment and supplies at the Y-12 Plant belong to the United States Government. Such items that are not directly owned by the Government are used in plant operations in the interest of the Government to the extent that any deliberate destruction, disarrangement, mistreatment or misuse of any property or materials concerned in Y-12 Plant operations will be viewed and handled as a serious incident.

Personal Use Prohibited

Company rules as well as federal laws fully cover such actions and Y-12ers violating such rules are liable for severe disciplinary action by the Company as well as possible federal prosecution. The rules and laws cover not only mistreatment, disarrangement or destruction of property or material but use of Government equipment or materials for any personal use in or away from the Y-12 Plant.

The following section of the criminal code is quoted in an effort to make all Y-12 employees aware of the federal statutes covering theft, misuse, destruction or damage of Government Property. The quotation is from Title 18, Section 82, USCA Criminal Code, Section 35C.

Heavy Penalties Prescribed

"Whoever shall take and carry away or take for his own use, or for the use of another with intent to steal or purloin, or shall wilfully injure or commit any depredation against, any property of the United States, or any branch or department thereof, or any corporation in which the United States is a stockholder, or any property which has been made or is being made, manufactured or constructed under contract for the Government shall be punished as follows:

"If the value of such property exceeds the sum of \$50, by a fine of not more than \$10,000 or imprisonment for not more than 10 years, or both; if the value of such property does not exceed the sum of \$50 by a fine of not more than \$1,000 or by imprisonment in a jail for not more than one year, or both."

'Safety Regularity' Of Y-12ers Shows Fine Cooperative Spirit And Praises As Assisting UCC Win Honor Award Second Year

"The regularity with which the employees of the Y-12 Plant establish safety records of 1,500,000 or more labor hours without a disabling injury is a remarkable safety accomplishment," says A. F. Tyra, of the Safety Division of the Industrial Relations Department of Union Carbide and Carbon Corporation in a letter to Y-12 Plant Superintendent John P. Murray. "The safety record of 2,058,506 injury-free labor hours during the period of January 12-March 10,

1955, indicates that a fine cooperative spirit exists among the employees in their accident-prevention work," Tyra's letter continued.

Tyra also pointed out that Union Carbide has been presented the National Safety Council's Award of Honor for the second consecutive year.

"It is safety records such as you have established at the Y-12 Plant during the past year that has made

Speedy Clean-Up Campaign In Y-12 Is Being Readied

"Don't Give Fire Chance To Start" Is Slogan For Week

"Don't give fire a place to start" will be the slogan for Y-12ers all next week as the annual observance of Spring Clean-Up Week is set for April 17-23. A brief but thorough campaign of eliminating fire and safety hazards from one end of the plant to the other through good housekeeping practices is planned for the occasion.

In a message to all employees Y-12 Plant Superintendent J. P. Murray said:

Good Housekeeping Necessary

"In order to maintain or improve our fire and safety record, we must make good housekeeping a part of our job. Supervision in each department should coordinate their efforts and avail themselves of this opportunity to get their work areas, both inside and outside of buildings, cleaned up during Spring Clean-Up Week. Particular emphasis should be placed on proper separation and arrangement of high value materials, so that in the event of fire, losses can be kept at a minimum.

"With all employees working together during Spring Clean-Up Week, we can accomplish much toward making the plant a cleaner and safer place in which to work."

Coordinators Make Final Plans

Fire, Safety and Security coordinators from all divisions in the Y-12 Plant Aea met Tuesday of this week to put finishing touches on details for the Spring Clean-Up campaign. The coordinators planned meeting with supervisors of their divisions to make plans for the drive.

Supervisors throughout Y-12 are urged to meet with departmental inspection committees and lay plans for a complete inspection inside and outside of buildings to seek out fire and safety hazards and then plan their immediate removal. A portion of every safety meeting held prior to and during Spring Clean-Up Week should be devoted to spring clean-up matters and special clean-up crews should be appointed if necessary. Every individual employee should be encouraged to participate in the campaign by cleaning up his own work area—and keeping it clean.

Trash To Be Removed

All accumulations of trash and rubbish should be taken to locations convenient for removal by

Continued on Page 4

SAFETY SCOREBOARD

The Y-12 Plant Has Operated 30 Days Or 1,103,700 Hours. (Unofficial Estimate) Without A Lost Time Accident Through April 10

Credit Union To Move To North Portal Site

Old Employment Office Will Be New Location

The Y-12 Employees Credit Union will move from its present quarters in the Cafeteria building to a new location at the North Portal sometime during next week, beginning Monday, April 18, it was announced last week by Mrs. Lorena Causey, treasurer and general manager of the organization.

More Space For Patrons

The new quarters to be occupied by the Credit Union formerly were used by the Employment Office of Y-12. The North Portal location will provide more space for patrons of the Credit Union, according to the treasurer, and also will have two private offices for the organization officials.

The Credit Union naturally will remain closed for business during the move and notices will be placed on the door of the old office on the ground floor of the Cafeteria building when the exact moving date is determined.

Office Hours Unchanged

Office hours in the new location will remain the same as at present, Mrs. Causey reported, at least for the time being. They are 8:15 a.m. to noon on Monday, Tuesday and Thursday, 8:15 a.m. to 4:15 p.m. Friday and closed all day Wednesday.

UCC LABORATORIES ACTIVE

Today more than one third of the work of the people of Union Carbide and Carbon Corporation is in providing new processes and products that did not exist in commercial quantities 15 years ago, and that have resulted directly from research and development. Today there are 23 laboratories in the Corporation with nearly 3,000 employees devoting their full time to research and development.

ACS Group Will Hear Talk By Dr. Labarthe

Dr. Jules Labarthe, a Fellow in community standards at Mellon Institute, Pittsburgh, Pa., will speak on "A Chemist Views Consumer Goods" at a meeting of the East Tennessee Section of the American Chemical Society next Wednesday night, April 20. The meeting will be at 8 p.m. in Dabney Hall, University of Tennessee, Knoxville. It will be the annual ladies night meeting of the group and all wives of members are invited.

Dr. Labarthe's lecture will cover the responsibilities of a store laboratory chemist or engineer in evaluating new products, specifications for staples purchased regularly by the store, investigation of some puzzling customer complaints and educational and public relations work.

A graduate of the University of California in 1932, Dr. Labarthe first went to Mellon Institute in the same year. During the next nine years he worked on a variety of fellowships at the University of Pittsburgh, where he obtained his doctorate degree in chemistry in February, 1931. At that time he was appointed to the fellowship on community standards, maintained at the institute by a Pittsburgh department store, the position he now holds.

Get-well wishes are sent the following Y-12 employees who were patients in the Oak Ridge Hospital last week:

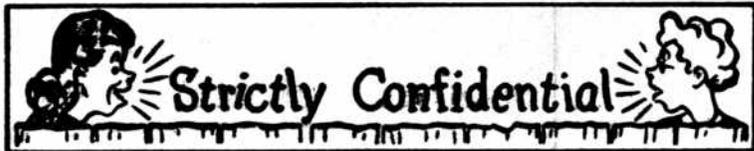

Paul C. Kompa and John C. Holt, Field Maintenance; Karl W. Mercner, Janitors; E. J. Panter, Research Services; George W. Boggs, Guard; Harley L. Allison, B Mechanical Operations; Marion D. Story, Electrical Maintenance; Josephine Lankford, Beta Four Operations; Ruth West, Material Control; W. S. Hollingsworth, Beta Four Maintenance; L. R. Loveless, D Mechanical Operations; Paschal Hamrick, Employment; L. K. Flynn, Buildings and Grounds.

10 Years Service

Congratulations to the following Y-12 employees who will complete 10 years of Company Service within the next few days:

Charles W. Harpe, Sr., Beta Two Maintenance, April 16.
Dorothy V. Hill, Production Assay, April 17.

Clear vision—avoid collision.

Stand by, pals, the corn is poppin' today. Strictly corn—that is.

MECHANICAL OPERATIONS

C. E. Oliver is vacationing in Oak Ridge . . . J. B. Ensor spent the Easter week end at Cookeville with relatives . . . H. E. Dake and the missus went to Athens, Tenn., for the same period . . . Fish tales abound—John Bishop and Harold Cornell both got bites simultaneously—it was the same fish . . . L. C. Hale, J. E. Johnson, E. V. Hawk and Frank Gragg were finny-faddling last week on Emery River, however no such tales from them . . . Richard Reece, son of John Reece and a student at Duke University, spent two days of his spring vacation at home after participating in the Florida relays—While home he, another son, George, a University of Tennessee student, and a daughter, Mrs. John Agee, helped their parents celebrate their 25th wedding anniversary . . . Another 25th wedding anniversary was observed by Claude Hensley and Mrs. H. on April 5—Claude enjoyed everything, 'tis said, except parting with his old automobile in trade for a new one . . . The aforesaid Harold Cornell and Mrs. Cornell were visited by their daughter, Sally, a University of Kentucky co-ed, over Easter . . . Jerry Ross, son of H. Ross, is receiving boot training for the Army at Ft. Jackson, S. C. . . Latest word from C. E. Smith, ill in Vanderbilt Hospital, Nashville, is that he is improving . . . R. A. Guy is out of the hospital—but his place has been taken by H. L. Allison—get-well wishes to both . . . Wives of W. E. Green and J. H. Davis are laid up, the former broke her wrist while house cleaning and the latter is ill . . . Home makers of the division are active—J. A. Collins spends a lot of time on his new domicile making additions and reports it hard work ("Ha," chips in wife, Marguerite, of Personnel) . . . M. B. McCarter is busy painting his new home . . . O. C. Willard has occupied his new residence in Knoxville. H. N. Brendle is back from New Orleans, reporting bad weather—(he didn't have to go that far to find it) . . . Joyce Wells, sister of J. R. Wells and daughter of the late Roy Wells, of Stores, was married April 2.

General Machine Shop says G. B. Borella is vacationing in Birmingham . . . J. B. Price at Erwin, Tenn. . . B. B. Addison at Gatlinburg working on a new home. R. C. Winfree, Sam Schultz and A. P. Money at destinations unknown . . . Week-end out-of-towners over Easter were J. E. Livingston visiting daughter at Durham, N. C. . . S. L. Downing in the Smokies . . . J. T. Firestone in Bristol . . . B. F. Jones in Saltville, Va. . . Floyd Ludwig to Dickson, Tenn., to visit his sister-in-law, who is leaving soon to join her husband, Floyd's brother, in Japan. C. S. Patty is recovering from a heart attack . . . Sympathy is extended Ed Collier, whose father died last week in Harriman.

C Mechanical Operations hastens get-well wishes to J. K. Powell and R. L. Burrell, recent automobile wreck victims . . . Also to H. L. Barry in the Veterans Administration Hospital at Johnson City . . . Likewise to L. R. Loveless in Oak Ridge Hospital . . . H. P. Alexander served as relief pastor at the Oak Ridge Church of the Nazarene last week . . . Congratulations to E. G. Herman—he became father of a son, Freddie Thomas, weight nine pounds, April 16 . . . Vacationers and Easter week-end trippers included B. M. Burrees at home in Knoxville . . . C. Jones with kin folks in Virginia . . . K. Shelton, same place, same time . . . R. F. Freeman in North Carolina. R. L. Crumley to Johnson City . . .

J. F. Trent's wife was guest of honor at a luncheon at the first Methodist Church at Lenoir City last week . . . Condolences are sent to P. E. Melton and family in the death of his father-in-law, E. H. Holton, in Winston-Salem, N. C., April 1.

ALLOY

P. W. Pair, Alpha Five, is vacationing for two weeks with his new daughter—Deborah Lynn . . . Wanda Livesay is seeing big city sights in Washington, Philadelphia and (not so big) Valley Forge, Pa. C. C. Thornton is in Chattanooga. Mary Jo Otten visited her old home town, Nashville, for Easter. Dick Seagren's wife visited him from Gary, Ind., last week . . . E. R. Daugherty is welcomed back after a three-week illness . . . Anglers reporting more or less success are Glen Mowery, Jack Owens, Jimmy Wakefield, S. J. Frost and T. T. VanDyke—they caught some trout, catfish and stuff . . . That loud voice heard wishing for hot weather is Dick Brothers—wanting to try out his new air conditioner.

Beta Four A Shift welcomes newcomers Sylvia Hatmaker and Dottie Brashears . . . W. C. Hatmaker is working on his new home while vacationing . . . G. H. Kesterson is vacationing in Cleveland, Ohio, where he will watch Injuns (baseball variety) at play . . . Rosie Strong is welcomed back after an illness.

MAINTENANCE

R. S. Hickey, Electrical Maintenance, is mighty proud of being 50 years old on Easter (just a young squirt) . . . F. A. Brand is vacationing . . . So are Evan Means and his wife, Virginia, of Health Physics, who went over to Nashville last Friday to attend a Conservation League meeting and then on to Houston, Tex., to visit her folks.

Dale Burroughs, Planning and Estimating, is vacationing in East St. Louis, Ill. . . Tom McNamara is back at home after a spell in the Oak Ridge Hospital and C. L. Matthews also is back at work after being ill.

C. L. Miller, Salvage, vacationed last week at La Follette.

Elmore (O' Rack) Koons, of Field Maintenance, Easter-egged in St. Louis . . . M. J. Dorscheid is visiting a daughter in Indiana . . . F. H. Morrow, C. E. Ballew and B. F. Nicely are in Gulf Shores, Ala., seeking bragging-size fish . . . H. C. Giles is in Middle Tennessee and St. Louis . . . D. E. Burdette is in Birmingham visiting kin folks and fishing . . . W. R. Jones is spending a couple of weeks at Tupelo, Miss.

W. F. Cooper and D. F. Kirby, Beta Four Maintenance, are vacationing at home . . . E. L. Stooksbury went over to Charleston, S. C. . . Ailing folks are T. L. Monger and F. J. Salts.

The Laundry Department sends rapid-recovery wishes to Maude Duncan, Lucy Hawkins and Bonita Woods . . . Doris Bledsoe is vacationing in Fountain City.

Beta Two Maintenance hopes R. J. West recovers soon.

Alpha Four and Five Maintenance has vacationers J. S. Hurst in Cincinnati . . . S. H. Sexton in Johnson City . . . P. G. Perry in Washington, D. C. . . M. W. Jones at Harriman . . . M. J. Thomas in Sumpter, S. C. . . and E. Mullins at home in Oak Ridge.

CHEMICAL

Product Processing sends get-well wishes to Marie Pickard in St. Mary's Hospital, Knoxville.

The Chemical Department congratulates C. G. Peck, who became father of a son in Knoxville April 5, named Gary Eugene . . . Lena Newsome is visiting her son

Miss Dolores Chitwood

and daughter-in-law in Pittsburgh, Pa. . . W. B. Crowder is vacationing in Mexico . . . Viola Anderson is likewise at home in Alcoa.

INDUSTRIAL RELATIONS

Here's something the Colyum Conductor hoped he would never have to write . . . Pat Hamrick, Employment on loan to Stores, finally broke that string of more than 11 years of attendance without an absence—he almost had to be tied to take him to Oak Ridge Hospital after becoming ill a few days ago.

Margaret Rainbolt, Medical, is a vacationer this week.

The Guard Department hopes Sue Shults is able to come back to work soon.

Cap'n Henry (The Mouse) Krouse, of the Fire Department, visited his parents in Memphis last week.

Cafeteria personnel were happy to hear that Geneva Caldwell, former Y-12er, has a new baby girl born on March 14—named Judy Kay Caldwell.

Folks in Personnel are glad that the brother of Irene Reed, injured recently in a Knoxville automobile mishap, is recovering.

TECHNICAL

Helen Hicks and Wilma Brock watched big town folks celebrate Easter in New York and Health Physics comrades are eagerly awaiting their report . . . Get-well wishes to Pauline Gain . . . Welcome, Mary Ann Wright.

Special Testing extends condolences to Addie Lynch, whose father died last week in Green Mountain, N. C.

Forest Waldrop, of ADP Development, attended an American Chemical Society meeting in Cincinnati last week.

Easter travellers from Analytical Development were A. B. Townsend in Nashville . . . C. D. Scott in Missouri . . . Betty Sue Huntley in Mississippi visiting her mother . . . D. W. Hackett in Indiana.

MANUFACTURING OFFICE

Clyde Thomas, whose proud pop is S. F. Thomas, Propert Sales,

has been promoted to Airman First Class, at Edwards Air Base in Los Angeles, Cal. He will be home on leave the next part of next month . . . L. A. Hamon and Ulysses Hatmaker are vacationers this week but with destinations unreported at press time.

Jean Gasaway, of Plant Records, is vacationing for two weeks working on the new family home . . . Irene Turner was an Easter visitor with her folks in Virginia . . . Others getting-away-from-it-all over Easter were Violet Sanford at Roanoke, Va. . . Dottie Ault and her husband, Clifford, visited relatives in Cleveland, Ohio . . .

A June 1 wedding date has been chosen by Miss Dolores Chitwood, of the Y-12 Receiving and Shipping Department, whose engagement to Lon E. Campbell, pharmacist with the Clinton Drug Co., Clinton, Tenn., was announced last week by her parents.

The wedding will be at Danville, Ky.

Miss Chitwood is the daughter of Mr. and Mrs. Dewey Chitwood, of Whitley City, Ky. Campbell is the son of Mr. and Mrs. Neil Campbell, of Maynardville, Tenn.

The bride-elect attended McCreary County High School at Whitley City and Campbell graduated from the College of Pharmacy of the University of Tennessee at Memphis.

Corrosion Engineers To Hear TEC Speaker

Robert A. Williams, of Tennessee Eastman Corporation, Kingsport, Tenn., will speak at the next meeting of the East Tennessee Section of the National Association of Corrosion Engineers to be held Friday night, April 15. The meeting will be at Regas Restaurant, Knoxville with dinner being served at 7 p.m. and the lecture to start at 8 p.m.

"Plant Corrosion Problems on Sulfuric and Nitric Acids" will be the subject of Williams' address. The talk should be of interest to engineers, chemists and metallurgists in Oak Ridge facilities of Carbide who are interested in such problems. Williams' background qualifies him to speak on the subject, as he is a graduate of the University of Michigan and later was a professor of chemical engineering at the University of Louisville before joining the Holston Ordnance Works at Kingsport. Early this year he transferred to Tennessee Eastman.

Carbide employees in the Y-12 Plant Area interested in attending the meeting should make reservations by Thursday, April 14, with Francois Kertesz, plant telephone 7620.

ORNL Group Invites Y-12ers To Attend Dance April 22

Y-12ers and their friends have been invited to a dance to be given Friday night, April 22, by employees of the Electronuclear Research Division of the Oak Ridge National Laboratory. The dance will be at the Oak Ridge Golf and Country Club from 9 p.m. to 1 a.m. Music will be provided by Ronnie Walden's orchestra. Tickets will cost \$1.50 per person, and may be obtained from Vivian Jacox, Y-12 plant telephone 7-8426.

Evelyn Brackney went to Elizabethton, Tenn. . . Frances Boyd and family moved into their new home over the holidays.

Barbara Shuler, Cashier and Travel Office, became a godmother last week by sponsoring little Linda Lee Star in Knoxville.

Property vacationers include Bill Plemens and family at Frostproof, Fla. . . Dee Asbury and her husband, E. J. Asbury, Mechanical Engineering, are at Key West, Fla. . . Dorothy Tompkins and her husband, Ted, of AEC, went to Brewton, Ala.

Methods Engineering sends get-well wishes to still-ailing Barbara Mills.

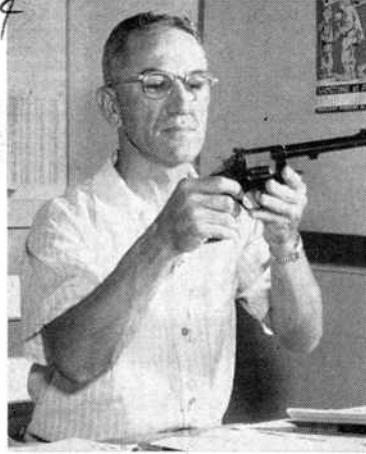

Whew—now the Colyum Conductor is hippity-hopping over to see how the Easter Bunny is behaving in Nashville—maybe he—the CC, will lay an egg.

THESE PISTOLEERS OF Y-12 WON THE HANDICAP CHAMPIONSHIP OF THE OAK RIDGE WINTER LEAGUE this season. From left are J. H. Rowan, L. E. Hedrick, D. R. Alford, H. Pruden, T. J. Bush, O. C. Beatty, C. G. Brewster, R. L. Vanderpool, P. H. Williams and J. C. Ezell. Squad members absent when picture was made were team Capt. M. R. Woodard (shown below, right), N. C. Abbott, H. N. Benninghoff, A. V. Bible, J. W. Garland, F. F. Lay, W. R. McIntosh and E. Scott.

AT LEFT ARE SHOWN D. R. ALFORD AND T. J. BUSH, ELECTED captain and co-captain, respectively, of the Y-12 pistol team for the coming summer season. At right are medal winners on the team for the past winter season—J. C. Ezell, Alford, and P. H. Williams (see story below).

Y-12 Pistoleers Loop Handicap Champs; Alford And Ezell Top Individual Scorers

The Y-12 pistol team did a bang-bang job during the winter season of the Oak Ridge Pistol League, taking the seasonal championship in handicap firing and also boasting of the loop two top handicap scorers of the season. The individual high handicap scorers were D. R. Alford and J. C. Ezell, the former averaging 288.416 for the season and Ezell 287.205.

The ORNL pistoleers nosed out Y-12 for scratch firing honors for the season by a small margin.

Champions To Get Trophies
Alford and Ezell will receive trophies for their handicap averages. Ezell also will get a trophy for having the highest scratch average for the Y-12 team of 259. P. H. Williams will receive a trophy for having the best average handicap score for the team behind the two league leaders. Williams' average was 286.453.

The highest scratch score posted by the team during the past season was 1280 and the highest handicap score was 1450.539, a league record. Alford's top handicap score of 293.779 also was best for the circuit for the season. Ezell's 271 scratch score led the Y-12 team for the season.

Summer Season Opens In May
After the close of the winter season the team immediately began making plans for the coming summer season, which will open some time in May with the three Carbide teams in Oak Ridge competing. For the coming season the team elected Alford as captain and T. J. Bush as co-captain. Capt. M. R. Woodward, of the Guard Department, captained the winter league team.

In the summer season each person shooting for the Y-12 squad will fire 10 shots at 50 yards with a time limit of 10 minutes, two groups of five shots each at 25 yards within 20 seconds for each five shots and then another two groups of five shots with a limit of 10 seconds for each five.

Any Y-12er wishing to take up the interesting sport is asked to communicate with the Y-12 Recreation Department, Room 221, Bldg. 9704-2, telephone 7753; or Alford in Bldg. 9204-4, telephone 7-8260. Through the handicap system of scoring inequalities in ability are cared for to enable less experienced shooters to make good showings.

The standing of Y-12 squad members who fired for the team for the winter season in order of average scratch scores with the

Name	Scratch	Handicap
J. C. Ezell	259	287.205
P. H. Williams	250	286.453
W. R. McIntosh	244	286.035
D. R. Alford	238	288.416
T. J. Bush	238	285.656

Keglerettes Take Whitewash Win

Although bowling with two substitutes, the Y-12 keglerettes blanked the Woodland Shopping Center lassies in an Oak Ridge City League contest last Thursday night to increase their loop lead to six points over Management Services, Inc. The Y-12ers posted games of 740, 701, 725—2166; to 672, 628, 667—1967 for the opposition.

The Y-12ers were close together in individual scoring with Ruby O'Kain leading the way with 146, 160, 160—466. Then came Mavis Koons 172, 137, 136—445; Betty Whitehorn 147, 131, 153 — 431; Doris Walton 127, 142, 144—413; and Dean Uffleman 148, 131, 132—411.

Bowlers Of Y-12 Nosed Out By K-25

The Y-12 varsity bowling team of the Oak Ridge City League dropped a close three-point decision to the K-25 kegglers on April 4 to drop to second place in the circuit. Their chief rivals, Clinton Bedding Co., also composed of Y-12 bowlers, beat Rust Engineering Co. for three points to break a tie for first place with the Y-12ers and forge into the lead.

K-25 took the first game from the Y-12ers by 851 to 834, but the count was evened when Y-12 captured the second by 807 to 798. A bare nine-pin margin of 936 to 927 gave K-25 the final game and total pinnage, 2585 to 2568. Frank Zupan rolled a sizzling 538 series, composed of games of 192, 155, 236 to lead the losers. Jack Spears had 152, 188, 187—527; Joe Pryson 173, 147, 181—501; Frank Gragg 155, 170, 169—494; and Ernie Cobble 162, 147, 154—463.

Y-12 SPORTS

B League Standings Grow Tighter

The red-hot race in the B League of plant bowlers tightened last week as the loop-leading Bumpers broke even with the Cubs, the Rippers took three from the Swingsters and the Has Beens blanked Bldg. 9211. The Wasps also got into the act with a four-point win over ADP so only three points separate the first four teams. The All Stars whipped the Wolves and Tigers tripped the Rebels, each by three.

Len Hart again had the best handicap series, as his 595 helped the Rippers along. George Schierbaum, Bumpers, had a 220 scratch game and 647 handicap series. Frank Zang, Wasps, topped the bunch with a 245 handicap game. The Bumpers' scratch scores of an 883 game and 2446 series was best of the night as was the Tigers' 1020 handicap game and 2898 series.

Hornets Put Bee On Rusty Five Team

The Hornets put the bee on the Rusty Five last week in the C League of plant kegglers by winning a three-point victory. The Q Balls knocked off C Shift and the Screw Balls bumped the Glass Arms by the same margins. The league-leading Hot Wires and Deltas were idle.

The Hornets buzzed right through all individual scoring highs for the night with 841,1010, 2305 and 2812 across the board. Leo Hemphill, Rusty Five had the top single game scores with a 214 scratch and 255 handicap effort. Forbes, Hornets, posted a 523 scratch series and Debic, Q Balls, had a 622 handicap series.

16 Teams Are Ready To Launch Softball Season May 2 With Two Plant Leagues

Number Largest In History With 13 Shift Groups Included; Bill Davis Is Named Commissioner

Managers or representatives of 16 softball teams tossed their names into the hat at a meeting last Thursday to formulate plant league plans for the coming season. The teams were from all over Y-12 and 13 of the outfits come from shift scheduled departments and groups. It is the largest number of prospective teams ever reported ready to start Y-12 Plant League play in history.

The managers and representatives decided to set a deadline of next Monday, April 18, for other groups to enter teams. It was reported at the meeting last week that even more teams probably will be organized to play this summer.

Two leagues—the American and National—will be formed for plant softballers this summer. One circuit will be for the more experienced and proficient performers while the other loop will provide competition in their own class for the less talented players.

League play will begin on Mon-

day, May 2, at Pinewood Park. As a result of the large number of shift teams in the organization, it will be necessary to play some games during days.

Teams may obtain practice reservations for Pinewood Park by communicating with the Recreation Department, Bldg. 9704-2, telephone 7753, on a first come, first served basis.

Bill Davis, of Security, will be commissioner of the league in full control of league operations during the season. He will settle any disputes or protests that might arise. Davis is a veteran Y-12er with a world of experience in sports and was unanimously selected by the team managers and representatives for the job.

Bill Davis

Regional Golf Leagues For Y-12ers Seen Certain For Knoxville And Oak Ridge

Regional golf leagues for Y-12 players loomed sure for Knoxville and Oak Ridge divot diggers following a meeting of the pasture pool enthusiasts last week with the Recreation Department. One such regional circuit was formed previously for golfers in the Harriman, Rockwood and Kingston sections.

At a meeting of the Knoxville group I. G. Speas was named league president and Joe Miller secretary. Prospects were bright for a league of eight two-man teams with matches being staged at the Whittle Springs course. Additional teams may enter the circuit before the deadline of Monday, April 18, it was indicated at the meeting.

It is hoped to start scheduled play in the Knoxville league by the week beginning April 25.

Oak Ridge golfers are expected to report progress in forming a local league within the next few days with an announcement forthcoming next week.

Meanwhile the Roane County Golf League for Y-12 golfers also has set a deadline of April 18 for teams to enter that organization, which already has 10 two-man teams formed. Play in that league will be on the Harriman or Rockwood courses.

No Entry Charges, Only Green Fees For Golf Tourney

All that is necessary for a Y-12 golfer wishing to enter the first week-end tournament of the season — scheduled for Saturday, April 23 at the Deane Hills Country Club—is to show up at the course ready to play bright and early that morning. There is no entry fee or preliminary entry blank to fill out, although a greens fee of \$3 will be charged for 18 holes of play.

Starting time for the tournament will be at 7 a.m. with the first arrivals getting to start first. The last of the field must be underway not later than 8:45 a.m.

The Recreation Department is offering a batch of fine prizes to winners in various fields. Awards will be given for the low net and gross scores and runners-up, most fives and most sixes gross, a blind bogey and then a lucky number drawing will be held. No one contestant may win more than one prize.

Similar tournaments are being planned by the Recreation Department for each month during the coming spring and summer season.

Rodeo Entries Go To Shift Committee

Y-12 shift working fishermen participating in the fishing rodeo being conducted for employees working on shift schedules that started on Monday morning of this week are instructed to turn their entry blanks into members of their own shift recreation committee instead of the Y-12 Recreation Office. The shift committees will judge the cards and report to the Recreation Office on the winners.

The contest will run through midnight, Monday, May 9, and all cards must be turned in not later than the following Friday, May 13. Catches of largemouth, smallmouth and striped bass, sauger or walleyed pike, crappie and trout may be entered.

THIS FINE STRIPED BASS WAS caught just a few days ago and entered in the 1955 annual Y-12 Fishing Contest. It was caught by Alfred M. Smith, Beta Two, in the Clinch River with a home made "hadacol" jig lure.

IBM Man Will Address Meet Of Cost Accounting Group

The April dinner meeting of the Oak Ridge-Knoxville Chapter of the National Association of Cost Accountants will be held next Tuesday, April 19. The meeting will be at Regas Restaurant, Knoxville, beginning at 6:30 p.m. Dr. E. W. Martin, of International Business Machines Corporation, will speak on "Electric Accounting." The recently organized local chapter of National Machine Accountants will join the NACA at this meeting. All Y-12ers interested in electronic processing machines for scientific computing and business record keeping are invited to attend the dinner meeting.

Friday, Wednesday Meetings Set By Physics Seminar

Two sessions have been arranged during the next few days by the Oak Ridge Physics Seminar. Both meetings will be held in the auditorium of Bldg. 4500, Oak Ridge National Laboratory.

The speaker for the regular Friday meeting of this week, set for 3:15 p.m., will be Dr. V. W. Cohen, of Brookhaven National Laboratory. His topic will be "Measurement of Spins of Radioactive Nuclei." At 8:30 a.m. next Wednesday,

Daughter Of Y-12er Is Champion Speller

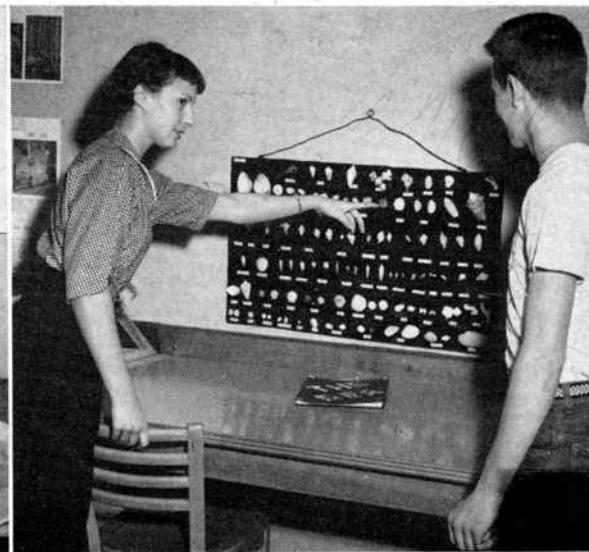

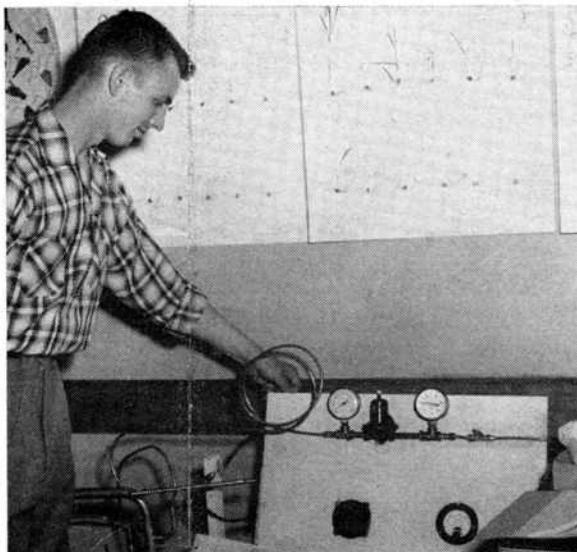

Another proud father in the Y-12 plant last week was Richard "Dick" Anderson, of Alpha Five Maintenance, after his daughter, Margaret, 12, won the Oak Ridge school spelling championship. She will represent the city in the Southern Appalachian Spelling Bee to be held in Knoxville on April 29, under auspices of the Scripps - Howard Newspapers. The newspaper chain will send the winner of the Southern Appalachian contest to Washington to compete with winners of similar events held throughout the United States to select the national championship speller.

Margaret

Margaret is a pupil in the seventh grade at St. Mary's School and in the Oak Ridge contest she defeated 66 other contestants.

day, April 20, Dr. D. H. Wilkinson, of Cavendish Laboratory, Cambridge University, Cambridge, England, will speak on "Fractional Parentage and Its Importance for Nuclear Reaction."

THESE TWO YOUNGSTERS OF Y-12 PARENTS ARE SHOWN WITH THEIR DISPLAYS IN THE RECENT OAK RIDGE SCIENCE FAIR, WHICH THEY INTEND TO ENTER IN THE REGIONAL SCIENCE FAIR TO BE HELD AT THE UNIVERSITY OF TENNESSEE, KNOXVILLE, APRIL 15. AT LEFT E. R. POLLARD, JR., IS EXPLAINING HIS ENTRY AND AT RIGHT DORIS HELTON IS DISPLAYING HER SHELL COLLECTION TO AN UNIDENTIFIED SCHOOLMATE.

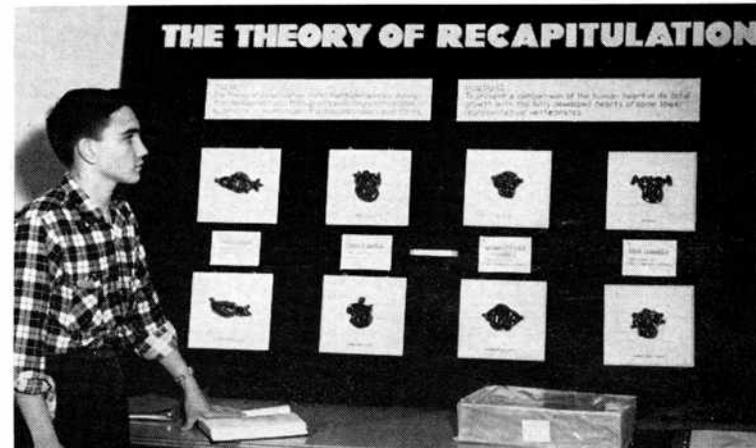

Speedy Clean-Up Drive Is Readied For Y-12

Continued from Page 1
 trucks. The Transportation Department, telephone 7391, will take care of the removal problem.

Inspection committees should pay especial attention to offices, locker rooms and lockers, work shops and tool rooms, boiler rooms, vaults, laboratories, aisles, exits and stairways, access to firefighting equipment, attics and basements, loading platforms and docks, shacks and out-buildings and premises around buildings.

Supervisors also are urged to review with all their employees before or during Spring Clean-Up Week the location of all fire extinguishers and their proper use, the location of fire alarm boxes and how to turn in fire alarms from these boxes as well as by telephone.

For the past several years the fire and safety records of Y-12 have been superlative and those records as well as the resulting lack of injuries, loss of life or property have come from learning the lessons taught in the annual Spring Clean-Up Week and Fire Prevention Week observances.

BILL COUNTISS LOOKS OVER HIS SECOND-PLACE WINNING DISPLAY IN THE OAK RIDGE SCIENCE FAIR, ENTITLED "THE THEORY OF RECAPITULATION," THAT SHOWS A COMPARISON OF THE HUMAN HEART WITH HEARTS OF LOWER CREATURES.

Exhibits By Three Youngsters Of Y-12ers Have Been Entered In Regional Science Fair

After making good showings with their exhibits in the recent Oak Ridge Science Fair, three pupils at the Oak Ridge High School whose fathers are Y-12 employees are busy this week preparing their displays for entry in the Regional Science Fair to be held Friday, April 15, at the University of Tennessee. The students are Bill Countiss, son of W. C. Countiss, Mechanical Inspection; E. R. Pollard, Jr., son of E. R. Pollard, Sr., Research Services; and Doris Helton, daughter of J. R. Helton, Alpha Five Maintenance.

Rides Wanted, Offered

Riders Wanted—From Norris to East Portal, straight day. W. W. Onstott, plant telephone 7493, home telephone 6125, Norris.

Ride Wanted—From Clinton to Y-12 Biology Division. Neva Paul Hair, plant telephone 7080, home telephone 839, Clinton.

Riders Wanted—From Norris to Central Parking Lot, straight day. Herbert Reynolds, plant telephone 7-8439, home telephone 6709, Norris.

Ride Wanted Or Will Join Car Pool — From Dixie Lane, Oak Ridge, A Shift. F. G. Killian, plant telephone 7191, home telephone 5-8053, Oak Ridge.

Ride Wanted Or Will Join Car Pool—From Oklahoma and Central, Knoxville, straight day. J. D. Goodpasture, home telephone 5-4701, Knoxville.

Want To Join Car Pool — From Maryville, straight day. Bob Lasser, plant telephone 7312, home telephone 605-J, Clinton.

Riders Wanted — From Clinton to any Y-12 portal, B Shift. James Norman, plant telephone 7-8402, home telephone 605-M, Clinton.

Riders Wanted — From vicinity of Norwood on Knoxville-Clinton Highway, to East Portal, straight day. W. E. Elliott, plant telephone 7352, home telephone 6-9589, Knoxville.

Rider Wanted—To join car pool from vicinity New York, Pennsylvania, Utah Aves., Oak Ridge to Central Parking Lot, straight day. R. T. Cantrell, plant telephone 7-8241, home telephone 5-1700, Oak Ridge.

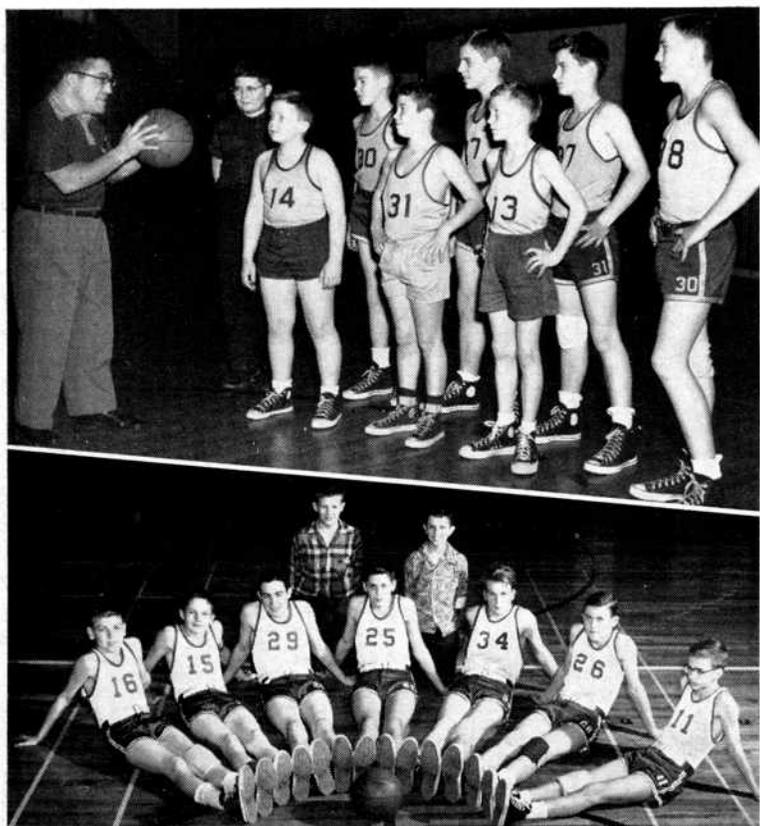

Wives Of Y-12ers Active In Staging Club's Party

Wives of Y-12ers will have a prominent part in staging the monthly card party and meeting of the Carbide Wives next Wednesday night, April 20. The party will be in the East Lounge of the Ridge Recreation Hall and all Carbide women employees as well as wives of employees are invited to attend. Bridge, canasta and bingo will be played and prizes awarded winners. Refreshments will be served.

Mrs. R. P. Wallace, whose husband is a Y-12er, will be the executive board member in charge of the meeting. Hostesses will include Mesdames C. E. Robinson, C. F. Needham and F. G. Seeley, all wives of Y-12ers; Mrs. S. W. Troutman and Mrs. H. B. Williams.

C Shift Fishermen Plan Deep Sea Trip

The idea of a deep sea fishing trip for Y-12 employees on shift schedules is getting around—now it is the C Shift Y-12ers who are talking up such an idea. Cards now are being circulated among the C Shift employees asking registration of any anglers interested in such an outing on some long break. If any C Shift employees do not receive such a card and is interested in a deep sea fishing trip he is asked to communicate with any member of the shift recreation committee.

FUTURE GREATS OF THE HARDWOOD, NOW JUNIOR HIGH SCHOOLERS in Oak Ridge and whose parents or close relatives are Y-12ers are shown above. In the top picture Jefferson Junior High School Coach Nick Orlando, whose wife, Marcelle, works in Y-12, gives members of his young squad tips on how to hold the ball. Then from left, with parents or close relative initials in parenthesis, are Earl Pickens (N. D.), Dwayne Argo (H. E.), Donnie Smith (W. F.), Jay Bowles (Clyde), Jerry Upchurch (Fred Uffleman, brother-in-law), David Buckhart (L. E.), Johnny Carrier (John E.), and Larry Forrester (Don, brother). In the bottom are sons of Y-12ers who were members of the Robertsville Junior High School squad during the past season. In uniform, from left, are Lewis Lanter (R. E.), Jackie Pope (R. E.), Charles Riner (Charles), Tommy Howard (J. L.), Joe Thames (Cam), Larry Richards (H. G.), and Curtis Sanders (Alfred). In the rear are Jimmy Babb, manager, (H. W.), and Errol Scroggins (J. G.). Bob Stuhlmiller is coach of the Robertsville youngsters. Both junior high outfits had excellent records during the past season.
